### Soaking Up the Sun!

It's nearly summertime, and our programs have been loving the warm weather! Take a look at just a few of the ways we've been welcoming the summer months.

*Specialized Supports took advantage of the lovely weather and made some outdoor crafts!*

*Day Habilitation caught some rays before heading to Dunkin Donuts for some cool, iced drinks!*

*Forrest has been helping keep our plants nice and healthy, making sure they get enough water and sun!*

## Demystifying Disability: Celebrating Disability Pride Month

Join Understanding Our Differences and The Price Center for an interactive conversation on living with, talking about, and advocating around disability, in celebration of the 35th anniversary of the Americans with Disabilities Act.

Join Emily Ladau, activist and author of *Demystifying Disability*, for a fireside chat in honor of Disability Pride Month. After speaking in conversation with Jack Lovett, co-chair of the Newton Commission on Disability, Emily will take questions in a discussion with attendees. The conversation will focus on how to communicate well about disability, from advocating for needs to listening and learning about how to create a culture of accessibility and inclusion. Whether you engage with issues of disability regularly or aren't always comfortable talking about disability and want to learn more, you're invited to be part of this disability dialogue.

The event will take place at the **Newton Free Library at 6:30 p.m. on Wednesday, July 9th.** We can't wait to see you there!
